## TICK TACK TOE'S™

Four games packed in one.  
Give you all the more fun!

This is the game  
That is making it plain  
To attain any fame  
You must claim and maintain  
The best squares of the game

How to beat any pro  
With his X's and O's  
Is to make row upon row  
And defeat every foe

So here's the new trend  
To score points with your friends

(Inspired while sailing the calm waters of the Caribbean. It is truly a game for all people and all Season. Try it - you'll agree.)

### Rules of Play

1. Players choose X's or O's and who will make the first move
2. The object is to get the most number of like symbols in rows of three horizontally, vertically, diagonally or stacked on over another.
3. The player with the most points wins.
4. No symbol may be placed over a space already occupied by an opponent's symbol.
5. Each of the four grids are separate games played simultaneously.
6. Each row of three symbols equals 3 points.
  - A. Topping a row with another symbol will form a new row and
