ORBITER RING-TOSS TOURNAMENT

Tabletop, Post-to-Post, Orbiting Ring-Toss Game

The objective is to set the ring in motion, from one uniquely angled post, in order to land the ring onto a second, conversely angled post.

The player with the most Ringers wins.

Scoring: A Ringer is a ring thrown in such a way that it encircles the post completely.

This shape indicates where players hold the ring to make their swings.
